# town of Epping

New Hampshire

## Annual Reports

For the Year Ending December 31, 1985

UNIVERSITY OF NEW HAMPSHIRE  
LIBRARY

**EPPING, NEW HAMPSHIRE**  
**INCORPORATED 1741**

The cover of this year's annual Town Report depicts the design of Epping's newest commemorative plate presented by, and available through, the Epping Historical Society.

Arranged around the official Town Seal are nine buildings of significant historical interest dating from 1730.

The three stars in the official Town Seal represent the three Epping men who became governors of the State of New Hampshire. They are William Plumer, David Lawrence Morrill and Benjamin Franklin Prescott. The wavy lines represent the Lamprey River, its course uniting all parts of the Town. The solid area represents the Town's abundant clay deposits, which made possible Epping's famous brick industry.

Epping enjoys a most colorful and interesting history. If you would like to learn more about it, contact any member of the Epping Historical Society.

# Dedication

## WILLIAM PARKER

Road Agent  
1953-1985

William "Bill" Parker retired as Epping Road Agent in the Spring of 1985 and it is with sincere appreciation of a job well done that we take this opportunity to pay tribute to Bill for his dedicated service to the Town of Epping.

Bill served the Town as Road Agent for over thirty years, starting in 1953. He had worked for Earl Marcotte, the previous Road Agent and was appointed to succeed him.

Many changes have taken place during Bill's years of service including the equipment needed to do the job. Over the years, Bill has owned all his own equipment except a sander which the Town purchased. He started out with one truck and added two more and a backhoe as the demands of the work increased. Snow plowing and winter maintenance were a major responsibility and we must surely give special recognition to his faithful service in all kinds of weather and to the crews who worked with him. Road crews are called on to work in the worst of weather conditions and we have all heard the snow plows working night and day to keep the roads open during the height of a storm. This would take real commitment and fortitude! To handle this part of his work, Bill had several plows, a wing plow and three blades. For many years, salt and sand were spread by hand shovels from the back of the truck. This was followed by a truck with a hole in the bottom of the body near the left rear wheel with the flow of salt regulated by a stick. This stick was raised and lowered by hand. The next step was the apron sander which distributed it mechanically.

During his years of service, Bill has trained many local men, including young people, to help carry out the many types of work necessary to road maintenance. Bill organized and supervised the work on Epping's approximate fifty miles of roads and as the Town has grown with many new developments, so has the work and responsibility of the Road Agent grown.

We wish Bill, who is a life long resident of Epping, enjoyable retirement and for his many years of faithful service to the Town, we say **Thank you Bill Parker!**

## SELECTMEN'S REPORT

1985

This past year has seen the achievement of several items of special interest. Our downtown area, the initial phase of the Community Development Block Grant has been completed, giving a new appearance to the entire area. The final phase of this program will be completed this June. Additionally the Town continues to grow at a dramatic rate, and though we have had difficulty upgrading our services and facilities as quickly, we welcome these new residents and businessmen to our Community.

As a Board, we have tried to address fairly and equitably the needs of the Town. We have settled all the major litigation against the Town and have made every conscious effort to minimize its impact on the tax rate. This was not done, however, without sacrifices in other areas.

This coming year, we will be asking you to provide additional funding for the roads. We have developed a comprehensive three year plan that addresses some past problems, our current ones and anticipates some problems of the future. This has necessitated that the road budget be increased from \$120,000+ to \$300,000+. While this is a lot of money, we have a lot of roads that need sealing and paving. We also must improve our routine maintenance.

The Police budget is up substantially, principally because of the addition of a third full time officer. In responding to the needs of the residents, we are going to have a greater police presence in the downtown area and in West Epping.

There are a variety of other services which the Town provides which cost more as we grow. We have laid the ground work for the next Board of Selectmen to continue and expand upon. It will be your decision whether to fund these services or not but be assured that if appropriated, they will be spent wisely and to the common welfare.

Our objectives at the beginning of the year were to provide you with fair and responsive government, to broaden participation on Town Boards, to avoid senseless controversy and to enhance the common good. We have made many decisions, some of which were most difficult, but always we have tried to do what was right for the Town. If we have made mistakes, they were not intentional. Nor have we ever pursued any political objectives. We have tried, over this past year, to give you the best government of which we were capable, fair, honest and open to the best of our abilities.

## Resume of the 1985 Annual Town Report

The Annual Town Meeting on March 12, 1986, was opened at 9:15 a.m. by Moderator Mary S. Fecteau who proceeded to read the Warrant:

**Article 1)** To choose all necessary Town officers for the year ensuing.

At the close of this Article, Bruce Corsetti, Chairman-Board of Selectmen, made a motion to postpone the reading of the remainder of the Warrant until the following Tuesday Night at 7:30 p.m. at the Epping High School Gymnasium. This motion was seconded, put to a vote and passed.

The Moderator instructed the ballot clerks to count the ballots after which she proclaimed the polls open for balloting.

Ballot clerks were: Frances Allen, Virginia LaPierre, Pamela Holmes and Emma Gomez who replaced Eileen Murphy.

Polls closed at 8:00 p.m. The results are as follows:

Selectmen for three years (vote for one)

Joseph Foley	473	(elected)
Eileen Murphy	358	

Selectman for one year ( vote for one)

Susan M. Joyce	634	(elected)
Kenneth W. Perry	177	

Treasurer for one year (vote for one)

Willis A. Baker	533	(elected)
Todd Trobough	151	(write-in)

Water & Sewer Commissioner for three years (vote for one)

William Callaway	413	(elected)
Mary S. Fecteau	412	

Water & Sewer Commissioner for one year (vote for one)

Daniel W. Harvey	379	
Thomas P. Wheeler	439	(elected)

Planning Board for three years (vote for one)

Mary Cloutier	334	
Arne R. Erikson	120	
Alan G. Merrill	375	(elected)

Library Trustte for three years (vote for one)

Priscilla Estey	694	(elected)
-----------------	-----	-----------

Trustee of Trust Fund for three years (vote for one)

Robert Kimball	643	(elected)
----------------	-----	-----------

Budget Committee for three years (vote for three)

Nancy Chase	460	(elected)
Arne R. Erikson	216	
Albert Haberstroh	378	(elected)
Sonia Howe	314	
Madeline Lehrmitt	389	(elected)

Fire Wards fpr three years ( vote for one)		
Ray Paero	86	(write-in)(Elected)
Armand O'Barton	32	(write-in)

#### REFERENDUM BALLOT

Are you in favor of the adoption of amendment No.1 to the Zoning Ordinance as proposed by the Planning Board: **YES 456, NO 379.**

Are you in favor of the adoption of amendment No.2 to the Zoning Ordinance as proposed by the Planning Board: **YES 411,NO 408**

These two articles did not pass as a legal petition was introduced to require a 2/3 majority vote.

March 21, 1985

Mary S. Fecteau requested a recount on the Water & Sewer Commission for three years. The Board or recount consisted of Natalie Ferriera, Moderator pro-tem, Beatrice G. Marcotte Town Clerk, Joseph Foley and Susan Joyce, Selectmen. The results were: William Callaway-419 votes and Mary S.Fecteau-412 votes.

The postponed Annual Meeting for 1985 was called to order at 7:43 p.m. by Moderator Mary S. Fecteau.

The remaining articles were taken up individually.

**Article #2** Roger Gauthier made a motion to accept this Article as read. Mrs. Hall made a request to change the reading of the Article to add the Board of Adjustment: Albert Haberstroh, Patrick Reilly, as alternates and Frances Allen. The Historic District Commission: Kendall Chase and Lorraine Rauh. The Article passed with additions.

WET LAND	25	449.6

EPPING BUDGET COMMITTEE  
1985 ANNUAL REPORT

Many people in Epping probably do not know what the Budget Committee does under RSA Chapter 32.

The Committee's job is to prepare a budget for the Town which will satisfy the needs of the School and Community and yet will be within the ability of the Town's taxpayers to pay. It is not an easy job, especially since the wishes of some departments are greater each year.

Why do taxes have to keep going up so much? There are several reasons:

1) GROWTH:

Farms and woodlots generally require very few services from the Town. Houses, manufactured houses, apartments and condominiums usually require many expensive services such as schools, roads, trash disposal, police, fire, water and sewer. As more land is changed from farms and woodlots to developments, more Town services are needed. Even businesses which are looked to as bringing income to the Town, require roads, trash disposal, water, sewer, police and fire protection. The taxpayers suffer when the cost of providing services is greater than the tax income in most cases.

2) SCHOOLS:

With all the new housing going on in Epping, voters approved last year, a new 20 room elementary school, essential to house the young children new in Town. The Budget Committee must now wrestle with a school budget of \$2,909,924, an increase of \$ 636,650 in 1986 (up 28%). We are grateful that this Fall, the School Board returned \$50,000 to the Town to help lower the 1985 tax rate.

3) LEGAL FEES:

When Wilfred Cloutier sued the Town for \$10,000,000, the Town's successful defense cost the taxpayers a great deal of money. There were two alternative ways to pay the lawyers in 1985. The State could have increased our tax rate to \$62/\$1,000 (instead of \$51.54) or have the Town borrow \$500,000, using as credit, the uncollected taxes of past years. To lessen the blow, the latter method was chosen but the Town in the years ahead, will not have this cushion of assets to fall back on.

In today's society, "Take it to Court" or "Ask Town Counsel" seems to be the remedy for disputes. People seem to feel they have a great deal to gain financially in the Courts. When the Town's rules and regulations are disobeyed, a court decision is required to restore law and order. Unfortunately, this costs the Town money.

The eleven member Budget Committee meets with each department to review budgets and monied warrant requests. The Committee recommends or not recommends after thoughtful consideration as to what we feel is in the best interest of the Town as a whole. We urge voters at the Annual Town Meeting, to seriously consider Budget Committee recommendations.

The Budget Committee will have had 16 meetings since the last Town Meeting. Advice from fellow citizens is always welcome. With your help, we will attempt to keep the Epping taxes reasonable. My thanks to my fellow Budget Committee members who are as concerned about Epping's future as I am .

**STATEMENT OF APPROPRIATIONS  
TAX YEAR 1985**

**GENERAL GOVERNMENT:**

Town Officers' Salaries	7,350

Auditor's Report On Compliance  
R.S.# 30 3008 010

Gentlemen:

We have examined the financial statements of the various funds and account groups of the Town of Epping, New Hampshire for the year ended December 31, 1985 and have issued our report thereon, dated February 20, 1985. Our examination was made in accordance with generally accepted government auditing standards: the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions as they pertain to financial & compliance audits and OMB'S Compliance Supplement for Single Audits of Grants to State & Local Governments and accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

In connection with our examination, we also, (1) performed tests of compliance with the Revenue Sharing Act and Regulations, as detailed in the Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act as well as the 1983 Amendments issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-8 with the audited records of the Town of Epping as required.

Based on these procedures, we noted no areas of non-compliance regarding failure to publish 100% of the required public notices or insufficient public participation in the budget process. There were no material differences between the data on Bureau of Census Form RS-8 and the records of the Town of Epping.

Board of Selectmen  
Town of Epping  
Epping, New Hampshire 03042

We have examined the combined financial statements of the Town of Epping, New Hampshire as of and for the year ended December 31, 1985, as listed in the Table of Contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above do not include financial statements of the General Fixed Assets-Account Group, which should be included to conform with generally accepted accounting principles.

In our opinion, except for the omission of the financial statements referred to above results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Town of Epping, New Hampshire at December 31, 1985 and the results of its operations and the changes in financial position of its proprietary fund types and similar trust funds for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities prescribed by OMB Circular A-128 under the Single Audit Act of 1984 and applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining, individual fund and account group financial statements and schedules listed in the Table of Contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Town of Epping, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as whole.

# TOWN OF EPPING

## NOTES TO FINANCIAL STATEMENTS

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Epping conform to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

#### A. Basis of Accounting

The accrual basis is used for all fiduciary (and proprietary) funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

1. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
2. Prepaid expenses are not normally recorded.

#### B. General Fixed Assets

The Town of Epping has not maintained a record of its general fixed assets and therefore does not conform to generally accepted accounting policies in this respect.

#### C. Property, Plant and Equipment

Fixed assets in the proprietary funds are stated at cost, less accumulated depreciation. Interest during construction is not capitalized. The following is a summary of the Sewer Project:

<u>Year Capitalized</u>	<u>Cost</u>	<u>Life</u>	<u>Percentage</u>	<u>Depreciation</u>
Prior to 1984				
Mains, Etc	\$	50 Yrs.	2%	\$ 296,946
Equipment		10 Yrs.	10%	14,051
TOTAL COSTS	<u>\$1,152,912</u>			
1985				
Mains, Etc.				22,842
Equipment				<u>1,081</u>
TOTAL DEPRECIATION TO DATE				<u>\$ 334,920</u>
Total Costs to Date		\$1,152,912		
Less: Depreciation to Date		<u>334,920</u>		
Net of Depreciation		<u>\$ 817,992</u>		

#### D. Investments

Investments are stated at cost.

TOWN OF EPPING - NOTES TO FINANCIAL STATEMENTS (continued)

E. Continuing Appropriations

Appropriations for certain projects and specific items not fully expended at year-end are carried forward as continuing appropriations to the next year in which they supplement the appropriations of that year. At year-end, continuing appropriations are reported as a component of fund balance. As of December 31, 1985, the following were continuing appropriations:

Safety Complex	\$ 3,000
Civil Defense	50
Bridge Sand Blasting	2,500
Tax Maps	3,000
Conservation Commission	783
Bridge Construction	2,000
Seacoast Mental Health	2,000
Child and Family Services	2,660
Newmarket Health Center	1,250
	<u>\$17,243</u>

F. Taxes Collected for Others

The Town collects taxes for the Epping School District and Rockingham County, which are remitted to them as required by law.

G. Inter-Fund Transactions

During the course of normal operations, the Town has numerous transactions between funds including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions.

Proprietary funds record operating subsidies as other income, whereas the governmental fund paying the subsidy records it as a transfer.

H. Other General Accounting Policies

1. Retirement System

The police are covered under the State of New Hampshire Retirement System. Contributions are deducted at rates according to employment compensation. The Town's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan and has been set at various rates of the employee's annual compensation. Since the actuarial valuation is performed on the entire State plan, the amount, if any, of the excess of vested benefits over pension fund assets for the Town of Epping is not available. The Town does not have an accrued liability for past service costs. The expense for 1985 was \$2,705.30.

Employees may accumulate unused sick leave. Vacation is granted in varying amounts based on length of service. The Town's policy is to recognize cost of sick and vacation leave only at the time payments are made.

The Town voted to give retirement benefits to the office employees. The total expense for 1985 was \$2,491.39.

TOWN OF EPPING - NOTES TO FINANCIAL STATEMENTS (continued)

I. Property Taxes

Annually the Town establishes an amount for abatements, discounts and refunds of property and resident tax revenues known as overlay. All abatements, discounts and refunds are charged to overlay. Overlay is included under the classification of general government in the financial statements.

As prescribed by law, the Tax Collector sells at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If the property is not redeemed within the two year redemption period, the property is tax-deeded to the lien holder.

2. PURPOSE OF FUNDS AND ACCOUNT GROUPS

The Town reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the town and the service provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - Used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Special Revenue Funds - Used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes or local law.

Capital Project Funds - These funds are used to account for resources designated to construct or acquire fixed assets. Such resources are derived principally from proceeds of general obligation bonds, notes, federal or state grants.

B. Proprietary Funds

Enterprise Funds - These funds are used for operation of entities that provide services on user charge, or other basis, to the general public. Retained earnings in the Sewer Account were restated January 1, 1981 to conform to generally accepted accounting principles. As of May 1, 1985 Water Department policy was changed and receipts were deposited into the Water Department's own checking account.

C. Fiduciary Funds

Trust and Agency Funds - These funds are used to account for assets held by the town in a fiduciary capacity for various purposes including cemetery operations and taxes collected for other governmental units. Receipts and expenditures of each fund are governed by statutes or local law.

TOWN OF EPPING - NOTES TO FINANCIAL STATEMENTS (continued)

D. General Long-Term Debt Account Group

This group is used to account for the outstanding principal balances of general obligation bonds or notes.

3. BUDGET

The Town budget represents departmental appropriations as authorized by annual or special town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. State statutes require balanced budgets but provide for the use of the beginning fund balance as estimated revenue. In 1985 the beginning fund balance was applied as follows:

Bridge Sand-Blasting	\$ 2,500
Fire Escape	10,952
Conservation Commission	296
	<u>\$13,748</u>

4. LONG-TERM DEBT

The annual requirements to amortize all debt outstanding as of December 31, 1985 including interest payments of \$95,334.11 are as follows:

Year Ended December 31, 1985	General Obligation	Special Assessment	Total
1986	\$ 71,581		\$ 71,581
1987	61,705		61,705
1988	39,480		39,480
1989	37,940		37,940
1990	36,340		36,340
1991-1995	149,800		149,800
	<u>\$ 396,846</u>	<u>\$ _____</u>	<u>\$396,846</u>

A new Sewer Bond was taken out as a result of the Special Town Meeting of May 4, 1985. This is to help pay construction costs of the new Waste Water Treatment Facility. The amount of the bond issued was \$207,512 and it is to be repaid over a ten year period. General obligation bonds are direct obligations of the town for which its full faith and credit are pledged, and are payable from taxes levied on all taxable property located within the town.

5. HUD GRANTS

Town of Epping received two Community Development Block Grants - The \$4000,000.00 Grant encompassed 1984-1986 for Improvement of Downtown Epping included remodeling and improving the historic Watson Academy as a neighborhood facility, street and sidewalk improvements, rehabilitation and relocation of private property. Funds were received in 1984 for this Grant. Note the restatement of Fund Balance on Capital Projects Schedule 12. The second grant of \$240,000.00 was received in 1985 and was actually Phase II of the Downtown Epping Revitalization Program.

6. NON-EXPENDABLE TRUST FUNDS

The principal amounts of all non-expendable funds are restricted either by law or specific terms of individual bequests, in that only income earned thereon may be expended. Principal and income balances at December 31, 1985, are noted on Schedule 14 of this report.

TOWN OF EPPING - NOTES TO FINANCIAL STATEMENTS (continued)

7. SPECIAL REVENUE FUND BALANCES

At December 31, 1985, the special revenue fund balance of \$12,042 consisted of the following:

Revenue Sharing Fund	\$ 8,308
Library Fund	485
Conservation Commission	3,249
	<u>\$12,042</u>

8. CONTINGENT LIABILITIES

As of December 31, 1985, the five cases which were for damages pending against the town of Epping in 1984 were settled. No litigation is currently in process that could materially affect the financial statements of the Town

9. COMMITMENTS AND LEASES

On August 26, 1983 the Town leased a compactor under the Atlantic Leasing Corporation Plan. Total cost of the lease is \$37,968.00 (84 payments of \$452.00). In 1985 twelve payments were made totalling \$5,424.00. Balance of payment schedule is as follows:

1986	5,424.00
1987	5,424.00
1988	5,424.00
1989	5,424.00
1990	3,616.00
Total	<u>\$25,312.00</u>

AUDITOR'S REPORT ON THE STUDY AND  
EVALUATION OF INTERNAL ACCOUNTING CONTROL SYSTEMS  
AND COMPLIANCE

We have examined the financial statements of Epping, New Hampshire, for the year ended December 31, 1985 and have issued our report on them dated February 20 1986. As part of our examination, we made a study and evaluation of the system of internal accounting control of the Town of Epping, New Hampshire, to the extent we considered necessary to evaluate the system as required by generally accepted government auditing standards and the standards for financial and compliance audits required by the Single Audit Act of 1984. (OMB Circular A-128) and Standards for Audit of Governmental Organizations, Programs, Activities and Functions (1981).

For the purpose of this report, we have classified the significant internal accounting controls into the following categories:

1. Cycles of the Town of Epping's activity
  - Treasury or Financing
  - Revenue Receipts
  - Purchase Disbursements
  - External Financial Reporting
2. Financial Statement Captions
  - Receivables
  - Payables and Accrued Liabilities
  - Fund Balances
  - Inventory
  - Equipment
3. Accounting Applications
  - Receivables
  - Billing
  - Cash Receipts
  - Purchasing and Receiving
  - Accounts Payable
  - Cash Disbursements
  - Payroll
  - General Ledger

Our study included all of the control categories listed above. The purpose of our study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the Town of Epping's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole or any of the categories of controls identified above.

The management of the Town of Epping is responsible for establishment and maintenance of its system of internal accounting control. In fulfilling that responsibility, estimates and judgments are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, the projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Epping, New Hampshire, taken as a whole or any of the categories of controls identified in the first paragraph. However, our study and evaluation disclosed no condition that we believe to be a material weakness. As a result of this study we are herewith submitting comments and recommendations to assist the Town of Epping to further strengthen its internal accounting controls.

Our compliance review determined that the Town of Epping complied with state and federal statutes and regulations in administering all its revenues, entitlements and grants. We found no evidence of noncompliance during the performance of the audit that would indicate any compliance weaknesses within the town government.

DENNETT & DENNETT  
Certified Public Accountants

A handwritten signature in dark ink, appearing to read 'Wilson P. Dennett', is written over a horizontal line.

Wilson P. Dennett, CPA

FINDINGS AND RECOMMENDATIONS  
INTERNAL ACCOUNTING AND ADMINISTRATIVE  
CONTROLS AND COMPLIANCE

Finding:

The Town of Epping exceeded its appropriations by \$16,440. Town officials should exercise caution so that this condition will not occur again.

Recommendation:

N.H. RSA 32:10

In Towns adopting the provisions of this chapter: No board of selectmen, school board, commissioners of a village district wholly within the town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, except for the purpose of paying judgements rendered against the town or school district, or said village district. Provided however that in cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board, or the village commissioners of such village district from one appropriation to another provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school, or village district meetings for all purposes.

N.H. RSA 32:10A appears to provide relief:

When an unusual circumstance arises during the year which makes it necessary to expend money in excess on an appropriation which may result in an over expenditure of the total amount appropriated, for all purposes, at the meeting or when no appropriation has been made, the selectmen or village district commissioners upon application to the Commissioner of Revenue Administration and the school board upon application to the State Board of Education, may be given authority to make such expenditure. Such application shall be made prior to the making of such expenditure provided however that the Commissioner of Revenue Administration or the Board of Education may accept and approve an application after an expenditure if caused by a sudden or unexpected emergency. No such authority shall be granted until a majority of the budget committee has approved the application in writing.

Response:

Town officials will carefully monitor appropriation expenditures in the future.

Finding:

Despite efforts by the Audit firm to correct the problem over the past few years, double-assessments and errors in the Tax Warrants are numerous. This is due largely to lack of communication between the Office of the Tax Collector and the staff of the Selectmen's office regarding sales and exchanges of real property.

Recommendation:

We recommend that there be more open and timely communication regarding this matter between offices. If the Warrants were proofread and thoroughly checked before printing, overstatement of income and the subsequent frequent abatements would be unnecessary.

Response:

The two offices will work more closely together in 1986.

Finding:

As the town has grown, many of its bookkeeping practices have become out-dated. This was noted particularly within the Water and Sewer Departments and in the Tax Collector's office. (A separate report is being issued on the former)

Recommendation:

Consideration should be given to computerization for these Departments with experienced operators utilizing the computer.

Response:

This approach is being considered by the Selectmen.

**THE HARVEY-MITCHELL MEMORIAL LIBRARY**  
**1985 ANNUAL REPORT**

The Library enjoyed a prosperous year in 1985. Our circulation increased from 8,442 in 1984 to 8,902 in 1985. The overall holdings of the library increased from 9,623 items in 1984 to 10,013 items in 1985.

We are most grateful to the residents of Epping because many of the over 500 books we added this year came as gifts donated by individuals and organizations.

Two successful Book/Bake/Plant Sales were held in cooperation with the Epping Women's Club and the Epping Garden Club. Our on-going sale in the front of the library attracts buyers regularly. The Lydia Ladd Room was used by fourteen separate groups in 1985 for many different activities. These groups included: The Newmarket blood pressure clinic, the Visiting Nurse Association, the Cub Scouts, the Rockingham County Nutrition Program and the Selectmen, who used the room several times.

Two improvements were made to the building this year. Lee Roofing replaced the roof of the Library on two very warm days in November. The inside of the Library was painted and all the wood trim refinished by Harold LaPierre in the end of December. The Epping Garden Club continues to provide a plant or flower arrangement each month for the main desk.

**EPPING FOREST FIRE WARDENS**  
**1985 ANNUAL REPORT**

1985 has been a fairly good year for brush and forest fires. This has largely been credited to early detection from the area fire-towers, the quick response of the Fire Department and the careful attention of the Towns-people who have obtained burning permits for controlled fires. There are still some residents who fail to get permission to burn and are in violation of the New Hampshire State Forest Fire Laws. All outside burning, except for cooking, requires a written permit for each occasion. On rainy days or when the ground is covered with snow, permission MAY be granted verbally by calling the Warden at 679-5955.

A new policy has been adopted for obtaining permits as follows:

Permits will be issued from the Central Fire Station daily from 6:00 to 6:30 p.m. The business phone number there for information is 679-5446.

**PLEASE HELP US KEEP THE TOWN GREEN-GET PERMISSION FOR YOUR FIRES!**

Respectfully,  
Robert Galley  
Epping Forest Fire Warden

**EPPING FIRE DEPARTMENT**  
**1985 ANNUAL REPORT**

The year 1985 slowed down considerably as to the number of fires from 152 in 1984 to 122 in 1985. Thank-you for your cooperation.

The ever increasing paperwork and new laws are not going the same way however. With all the new building and construction that is going on now in Epping, it is almost impossible to keep on top of it. I can inform builders of the rules and regulations but I cannot keep watch as to whether they are building in conjunction with them. The time has come to have someone full time in the Fire Department. A warrant article will be drawn up next year to see whether or not the townspeople will accept this.

Education is also everchanging and in March, there will be an EMT class either at the Fire Station or at the School two nights a week for approximately twelve weeks. This Fall, there will be a career fire fighters course at the Fire Station. This is the next step for the fire fighters who are already at the Fire Fighter I level of which we currently have thirteen members. This is a volunteer Fire Department and I thank all of those who take their time to help those in need.

I also thank the families of these people for without their support, it would be impossible to carry out this vital community service.

Richard Marcotte  
Fire Chief

**EPPING FIRE DEPARTMENT AMBULANCE-1985**

With your approval of the warrant article, at the March 1985 Town Meeting, and your generous donations as well as our fund raising, we were able to purchase a second ambulance to replace the 1971 Cadillac, which was taken out of service due to the cost of insuring and repairs.

We purchased a 1979 Ford Ambulance (van type) and currently housing it in the West Epping Station. The cost was \$3,600 and another \$1,000 for paint and lettering; minor repairs. I want to thank all the members and their families for their loyalty and support for without them, Epping would not have a needed service.

For those of you who may not be aware, most hospitals require a **CONSENT FORM** to treat anyone under 18 years of age. With so many children being left at day cares or with sitters, this form is of great help in an emergency. These may be obtained by calling the ambulance secretary at 679-8316.

Again, **THANK YOU** for your continued support, and to our families who give so much of themselves for us to be able to serve you.

Richard Marcotte-Fire Chief  
Nancy Grimard-Secretary

EPPING FIRE DEPARTMENT AMBULANCE

1985 TOTAL CALLS

MOTOR VEHICLE ACCIDENTS	74
SUDDEN ILLNESS	114
ACCIDENTS AT HOME	33
ACCIDENTS AWAY FROM HOME	12
TOTAL CALLS	233
TOTAL PEOPLE TREATED	272
TOTAL MUTUAL AID CALLS	28

Brentwood, Raymond, Exeter, Nottingham, Candia, Deerfield

Epping Amulance #2 was used on six calls during October and November when there was a need for two ambulances.

The Ambulance also stands by at all fires in the Town.

EPPING POLICE DEPARTMENT  
1985 ANNUAL REPORT

This past year has been a trying one for the Department in many ways. One Hundred and forty-two motor vehicle accidents occurred in 1985 excluding those covered by other law enforcement agencies. Forty-two people were injured and three people were killed on our highways in 1985. Alcohol was the primary factor in one accident which claimed the lives of two Epping citizens. Please "YEILD THE KEYS" if you must drink and don't drive.----- A total of 1,142 calls were answered by the Police Department.

Epping has gone through some positive changes this past year. Construction of new sidewalks, renovations and new businesses have all enhanced our "Downtown". These investments of Federal grants and local businesses should be safeguarded. Therefore, foot patrols have been initiated in the area as well as additional cruiser patrols. This annexation will continue to deter vandalism, nuisance calls, burglaries and the teeming motor vehicle violations that have plagued citizens for some time. This does not mean that other areas of Town will be neglected. Normal patrol will not only continue but will be improved by this additional coverage.

We had a difficult time finding a qualified second full time officer but fortunately in late August, Officer Mark Todd was appointed to the Department, bringing with him, seven years of law enforcement experience and training.

The need for a third full time police officer has now arrived. This will enable your Police Department to provide 24-hour coverage during the majority of the time.

A definite need was also experienced for additional part time officers. Therefore, we recently appointed seven new part time officers to the force bringing the total to seventeen.

The "CHILD FIND" project in 1985 will continue in 1986. Over 125 children were photographed and fingerprinted at McDonald's Restaurant in a project co-sponsored by the Epping PTO.

Drug abuse programs began in January, 1986 to educate students in the dangers of drugs and alcohol. Other community oriented programs will be initiated in 1986 to improve citizen awareness and participation in a safe and law abiding community.

In closing, I must thank all of Epping's police officers for their dedication and continued cooperation. On behalf of every citizen, I say to them, thank you again and keep up the good work.

Gregory C. Dodge  
Chief

## EPHING PLANNING BOARD

### 1985 ANNUAL REPORT

The tremendous growth taking place in Epping kept this Board very busy in 1985. Fourteen Site Plans were approved and ten Subdivisions. Many more are pending. Well over one hundred interviews were held in Planning Board sessions and new land use and excavation regulations were adopted in over fifty meetings and workshops.

Board members attended the National Resources Lecture Series in the Spring, Law Lectures in the Fall, a Master Plan Seminar in June, Rockingham Planning Commission Meetings, Community Development meetings and the New Hampshire Municipal Association Conference in November. All of this could not have been accomplished without our Circuit Rider; Stephen Bird, from Rockingham Planning Commission who assists us on Thursdays in the Town Hall holding Preliminary Consultations with applicants.

The Master Plan Committee circulated a Citizen Survey in June with a good response from all sections of the Town. A practically unanimous response favored enforcement of the ordinances and regulations of land use through zoning and showed a great interest in broadening our tax base through development of commerce and industry.

The results of the Survey gave us the courage to present the new zoning ordinance at the March 1986 Annual Meeting. The Master Plan Committee paused to help us prepare this document. It will now resume work on updating the Master Plan.

New businesses that will be locating in Epping in 1986, have done so largely because of our promise to do our best to propose this new zoning ordinance. It is our hope that citizens will realize what this new ordinance will do for Epping and, in this eleventh hour, support our effort.

#### Epping Planning Board:

Nanch Haberstroh, Secretary  
Jack Knight, Treasurer  
Joseph Foley, Selectmen's Representative  
Eva Karandanis, Alternate

## PLUMER PARK

On October 14, 1919, a major fire early on this Tuesday morning, destroyed Perkins Hotel, the hotel stable, a barber shop, the hall overhead, a meat market, the tenement above and a blacksmith shop.

Because this lot remained an eyesore in the center of Town, the ladies of the DAR voted, at a meeting on July 5, 1922, to see the Leddy brothers about clearing property from the fire. Since no progress was made, the Daughters made a proposal to buy this lot on Sept. 6, 1922. On September 18, 1922, a special meeting was held to purchase the "Old Bunker Lot" for the sum of \$2,000 from the Leddy brothers. The sum of \$200 was to be the down payment, with the balance of \$1,800 to be paid by April 1, 1923. From Sept. 18, 1922 to April 1, 1923, the members earned and received donations of \$1,050. Thanks to the generous loan of \$750 by members Sarah J.E.Ladd and Emily Edgerly, the lot was purchased and records show that on April 11, 1923, the deed to the property was received. It was recorded at the Registry of Deeds on Oct. 23, 1923 at 11 a.m. (Vol. 743, pg. 340 and Vol. 752 p. 9). On Oct. 10, 1923, W.S. Goodrich was contracted to fill and grade the lot for the sum of \$325. Bricks sold from the lot = \$438.40. Granite = \$30.00. Iron = \$7.00.

In the Spring of 1924, evergreen trees and a hedge was set out around the lot. On Oct. 12, 1931, a request from the Richard Mitchell Post of the American Legion to place a boulder, as a war memorial, on the lot was read. In May 1946, it was decided to remove the troublesome hedge, build a rustic fence, set out two trees, and construct a path across the lot.

On Nov. 11, 1948, the Richard Mitchell Post unveiled and dedicated the boulder on the lot as a war memorial. On Nov. 13, 1952, the Epping Garden Club was granted permission to use the lot during the Christmas Season for a nativity scene. Money was donated for the creche by various organizations and citizens. Purchased originally by the Garden Club for \$100, it has been cared for by the Richard Sanborn family.

As you can see, the original purpose of the DAR to purchase the lot was to remove the eyesore. The community helped in the purchase by attending card parties, public suppers, sales from "fancy" (craft) tables, food sales, rummage sales by the DAR ladies and private donations. The Men's Club of the Epping Community Church, the Richard Mitchell Post of the American Legion, the DAR and many private individuals have cared for the lot over these many years. Membership in the Sally Plumer Chapter of the DAR is waning and there are fewer hands to share the load.

So, it seems appropriate at this time, since our goal has been reached, that we turn this park over to the Town of Epping, and suggest it be named the **PLUMER PARK** after our former citizens of Epping and Governor of NH (1812-12, 1816-19) and his wife, Sarah (Sally) for whom our local DAR Chapter is named. We hope that you will accept our gift.

EPPING CONSERVATION COMMISSION  
ANNUAL REPORT 1985

The Epping Conservation Commission sponsored four community oriented events during 1985. The theme of the Elementary/Middle School poster contest (grades 1-6) was "Life in Swamps and Bogs". Class projects of 3 dimensional murals and dioramas were entered. First prize was enjoyed by Ms. Marsha's fourth grade class. The students were taken to John Hoar's pond for a conservation lesson and picnic. The Commission is very grateful for the generous donations from McDonald's Restaurant.

The eighth annual Lamprey River Canoe Race was successful again in 1985, in spite of the low level of water in the river and erroneous information that "the race was off". Boy Scout Troop 136 did a superb job with the food consession. Once again the Conservation Commission was very grateful to have the assistance of the Epping Police Department and the Epping Rescue Squad.

The Commission and the Epping Garden Club co-sponsored a High School student for attendance at the Youth Conservation Camp, sponsored by the Society for the Protection of New Hampshire Forests. Glen Cray was the lucky student in 1985.

The Commission was proud to help co-sponsor a tree lighting ceremony for the holidays at the newly acquired DAR Park. We are grateful to the Burley Homestead Trust for donating the tree, to Bill Murch for cutting and putting the tree in place and to Rosalie Carr for encouraging Epping School children to decorate the tree with edibles for our wildlife friends. The Commission is also grateful to Amogene Kimball, Garden Club President, for her efforts in coordinating this ceremony.

As required by N.H. State statute, four Dredge and Fill applications were processed by the Commission in 1985. Much of our time was taken with a project proposed by a local developer, Paul Langdon, located at High Road and Old Nottingham Road. After working very closely with the Epping Planning Board, a plat was approved, after a series of meetings to insure that area wetlands would not be infringed upon.

The most important project of the Conservation Commission is developing wetlands protection zones for the Town. A major accomplishment will be to protect our water for years to come. Members of the Conservation Commission have attended workshops and seminars on wetland protection, and are working closely with the Epping Planning Board. We look forward to the opportunity to vote by ballot on this issue in March, and urge your support.

The Commission enjoyed tremendous support and communication with the Planning Board, Water & Sewer Commission and Health Officer, but was frustrated by the lack of support and insensitivity from the Board of Selectmen. Because of this, the Conservation Commission is sorry to report that for the first time in many years, we were not able to be as effective in the protection of Epping's natural resources.

The Commission was sorry to lose two good members during 1985; Doris Reilly and Howard Phelps.

WATER & SEWER COMMISSION  
1985 ANNUAL REPORT

The Water & Sewer Commission began the substantial project of upgrading the capacity of the waste water treatment plant by the installation of an aeration system. This system will increase the supply of oxygen which is critical to the purifying process, giving a more acceptable quality in about half the time to the effluent discharged into the river. Progress was delayed because of the extraordinarily large quantity of sludge found. It is now expected that the project will be completed in April, at which time the moratorium on new sewer hookups will be lifted. However, this does not mean that unlimited connections can be accepted. The next upgrade of this facility will demand a complete changeover to a much more expensive process, which for economic reasons, should be delayed as long as practical.

The Water supply picture is not as good and the moratorium is to be continued. Attempts to rectify this situation will be the top priority for the coming year. Expansion of our tax base with new industry is dependent on the success of these efforts. New wells currently require a protective area of twelve acres to comply with the requirements of the State, which limits the possible locations to be explored. One ray of hope lies in a new method of treatment for iron, which has only recently come to the Commission's attention.

It was with considerable reluctance that the Commissioners agreed to a rate increase, but the Federal agencies that supply the grant money for water and sewer projects require that each system must be supported by the customers who receive the services provided. In addition, the operation of the upgraded sewer treatment plant will require a lot of electricity and a full time operator. We have tried to lessen the impact by giving a discount to those households in which only one or two people live and who have no meter or are only connected to the sewer system. Other low volume users will find their bills have actually been reduced.

In summary, the two systems are performing well and seem to be requiring only a normal amount of repairs. This good fortune cannot be expected to carry on indefinitely as both are old and getting older. To that end, it is important that a reserve fund be built to provide money for any major breakdowns. The current rate structure will support this idea.

The Commission regrets that there are so many accounts which are long overdue. Those who have difficulty in paying on time should meet with the Commissioners in order to work out a mutually acceptable schedule of payments after which the schedule must be kept. Time only makes the situation worse and will make it more difficult for the Commission to maintain its goals of providing good service at a minimum cost.

Earl Arquette, Chairman  
Tom Wheeler  
Albert Haberstroh

## EPPING HEALTH OFFICER'S

### 1985 ANNUAL REPORT

In 1985, the Health Officer's activities included once again, licensing day care and foster home care facilities, inspecting kindergarden and other school facilities. The Meals on Wheels Program continues to operate at the Community Church. This program, which serves many of Epping's elderly, deserves recognition for a job well done.

Over the past year, much of the Health Officer time has been spent responding to septic system problems & failures and complaints regarding unsafe and unhealthy living conditions in rented apartments and houses. In response to the septic system problems, new regulations have been proposed. These regulations would clearly stipulate what procedure anyone installing or repairing a septic system would follow. It would also allow septic system failures to be handled systematically and competently. David Richards has assisted me this year in handling septic system complaints. I would like to thank him for his time and interest. Most problems that were reported were handled effectively and cooperatively by all involved.

1985 was my first complete year as Health Officer and it was a pleasure to work with members of other Boards as well as the staff at the Town Hall. While we are reminded of Epping's growth and development by new structures and increasing population, we should be thankful to these Town folk who work endlessly and diligently in an effort to assure the very best for our Town.

As Epping grows, I am sure it's health and safety concerns will also. We all face bigger challenges in the coming year and each citizen must do his or her part to make Epping a Town in which each and all can take pride.

Respectfully submitted,  
Claire Fisher  
Health Officer, Town of Epping

**TOWN OF EPPING**  
**1986**  
**WARRANT AND BUDGET**

---

---

THE STATE OF NEW HAMPSHIRE  
T O W N   O F   E P P I N G  
TOWN WARRANT

THE POLLS WILL BE OPEN FROM 9:00 A.M. TO 8:00 P.M.

To the INHABITANTS of the Town of Epping in the County of Rockingham in said State, qualified to vote in **TOWN AFFAIRS**:

YOU ARE HEREBY NOTIFIED TO MEET AT EPPING TOWN HALL IN SAID EPPING ON TUESDAY, THE ELEVENTH DAY OF MARCH, NEXT AT NINE OF THE CLOCK IN THE FORENOON, TO ACT UPON THE FOLLOWING SUBJECTS:

**ARTICLE 1.** To choose all necessary Town Officers for the year ensuing.

**ARTICLE 2.** To act on the reports of the Selectmen and such other town officers, boards, committees and all commissions who are required by law to make such reports.

**ARTICLE 3.** To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

**ARTICLE 4.** To see if the Town will authorize the Selectmen to borrow in anticipation of taxes.

**ARTICLE 5.** To see if the Town will authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction and providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice thereof posted in three (3) public places (Town Hall, Library, Post Office) and area newspapers.

**ARTICLE 6.** To see if the Town will authorize the Selectmen to apply for, receive and expend Federal and State grants, which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money provided: (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

**ARTICLE 7.** To see if the Town will vote to raise and appropriate the sum of \$30,000 to be withdrawn from the Town's Federal Revenue Sharing Account. Said funds shall be utilized to defray the cost of the Town's use of the Lamprey Regional Waste Co-operative. (By Selectmen, Recommended by Budget Committee)

**ARTICLE 8.** To see if the Town of Epping will vote to raise and appropriate the sum of sixty three thousand dollars (\$63,000) for the purpose of conducting a re-evaluation of all properties located within the Town of Epping. Said survey to be let and completed no later than April, 1987. (By petition, Not recommended by Budget Committee)

**ARTICLE 9.** To see if the Town will vote to raise and appropriate the sum of \$31,500 to replace the apparatus body on Engine 3, a 1977 International/Woody pumper and to repair the apparatus body on Engine 2, a 1962 International/Howe pumper. (By Fire Department, recommended by Budget Committee)

**ARTICLE 10.** To see if the Town of Epping will vote to raise and appropriate the sum not to exceed \$24,000 as the Town's contribution toward the reconstruction of the Prescott Road Bridge in Raymond which serves the Epping subdivisions known as Shannon Estates and Kulhun Acres. Said project to be designed and construction supervised by the State of New Hampshire, Department of Public Works & Highways. (By Selectmen, Recommended by Budget Committee)

**ARTICLE 11.** To see if the Town of Epping will vote to raise and appropriate the sum of \$16,400 to purchase and equip a new police cruiser. (By Selectmen, Recommended by Budget Committee)

**ARTICLE 12.** To see if the Town will raise and appropriate the sum of \$12,000 to cover the cost of installing a 375' by 5' wide asphalt sidewalk with granite curbing along the north side of Prospect Street; said sidewalk is necessary for the safety and protection of school children. (By petition Not recommended by Budget Committee)

**ARTICLE 13.** To see if the Town of Epping will vote to recind Article #36 adopted during the Town Meeting of March 12, 1985 and to replace it with the following: "To see if the Town will vote to authorize pursuant to RSA Chapter 35,-- a capital reserve account for the long term maintenance needs of the Watson Academy. Said account to supply funding for major capital improvements and or replacement of major equipment and repairs. Said funds not to be used for daily routine maintenance. Funds placed in this account will be acquired through the lease of said premises. No more than 50% of the net annual rev's realized from these leases will be deposited into this account to a maximum of \$7,500 in principal. All interest accruing to the reserve will remain with the principal for the above designated purpose. (By Selectmen, Recommended by Budget Committee)

**ARTICLE 14.** To see if the Town of Epping will appropriate the sum of \$5,704 to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc. a private, non-profit, anti-poverty agency. This amount represents 3.5% of \$162,979, the value of services rendered to Epping residents from September 1, 1984 through August 31, 1985. (By petition, Recommended by Budget Committee)

ARTICLE 15. To see if the Town of Epping will vote to amend Article #1 (and all amendments thereto) of the Motor Vehicle Race Track By-Laws adopted by the Town of Epping during the 1971 Town Meeting (Art. 20) by striking out the present wording in it's entirety and inserting the following so that the article shall read as follows: "Motor Vehicle Race Tracks may be open and operating beginning May 1st through September 30th of each year and on the following days and hours: Fridays from 6:00 p.m. until 11:00 p.m., Saturdays from 12:00 noon to 11:00 p.m., Wednesdays from 6:00 p.m. until 9:30 p.m. and Sundays from 12:00 noon until 9:30 p.m. Under no conditions will racing be permitted or continued beyond the above dates and times." (By Selectmen)

ARTICLE 16. To see if the Town of Epping will vote to amend Article #10 (and all amendments thereto) of the Motor Vehicle Race Track By-Laws adopted by the Town of Epping during the 1971 Town Meeting (Art. 20) by striking out the present wording in it's entirety and inserting the following so that the article shall read as follows: "Every motor vehicle which shall be operated upon any motor vehicle race track shall at all times, be equipped with a muffler in good working order and in constant use operation to prevent excessive or unusual noise. For the purpose of the By-Laws, a muffler is a device consisting of a series of chambers or baffle plates or other mechanical design for the purpose of receiving exhaust. The provisions of this article is thus adopted in the general public interest and welfare to prevent excessive noise and exhaust emmissions during the operation of the motor vehicle race tracks." (By Selectmen)

ARTICLE 17. To see if the Town of Epping will vote to raise and appropriate the sum of \$5,005 for the purpose of helping to defray cost incurred by the Exeter Area Visiting Nurse Association in providing home and community health care services to the residents of the Town of Epping. (By petition, Recommended by Budget Committee)

ARTICLE 18. To see if the Town of Epping will vote to raise and appropriate the sum of \$3,000 for the purpose of defraying the cost of services provided to the Town of Epping and its residents by Seacoast Big Brother/Big Sister of New Hampshire. (By petition, Recommended by Budget Committee)

ARTICLE 19. To see if the Town of Epping will vote to raise and appropriate the sum of \$2,150 from the 1986 general town revenues for the Newmarket Regional Health Center's services and programs, including the Medical Program and the Senior Citizen Transportation Program. (By petition, Recommended by Budget Committee)

ARTICLE 20. To see if the Town will raise and appropriate the sum of \$2,000 for Seacoast Mental Health Center, a private non-profit orgaization. (By petition, Recommended by Budget Committee)

ARTICLE 21. To see if the Town of Epping will vote to raise and appropriate the sum of \$1,500. \$750 of which represents one-half of the total sum needed for the purchase of a new radar unit for the Epping Police Department. The second half to be matched through a grant made available by the New Hampshire Highway Safety Agency. (By Selectmen, Recommended by Budget Committee)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$773 to assist Rockingham Child and Family Services, a private non-profit organization. (By petition, Recommended by Budget Committee)

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$600 for the continuation of the Mediation Program. (By petition, Recommended by Budget Committee)

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$500 for the care and maintenance of the Town Clock which is located in the steeple of the Epping Community Church and owned by the Town of Epping. (By Selectmen, Recommended by Budget Committee)

ARTICLE 25. To see if the Town of Epping will vote to donate the Town Clock to the Epping Community Church. The Town Clock is located in the steeple of the Epping Community Church. (By Selectmen)

ARTICLE 26. To see if the Town of Epping will vote to raise and appropriate the sum of \$500 for the purpose of defraying cost incurred by A SAFE PLACE/Seacoast Task Force on Family Violence in providing emergency shelter and support services for battered women and their children to the residents of Epping. (By petition, Recommended by Budget Committee)

ARTICLE 27. To see if the Town of Epping will vote to authorize the Board of Selectmen to adopt Welfare Guidelines in accordance with RSA 165:1. (By Selectmen)

ARTICLE 28. To see if the Town of Epping will vote to discontinue Folsom Mill Lane from Blake Road southerly to Folsom Land and also discontinue Folsom Lane to Route 27. ( By petition)

ARTICLE 29. To see if the Town will vote to prohibit the issuance of building permits on Class VI roads. (By petition)

ARTICLE 30. To see if the Town will vote to discontinue Rum Brook Road. (By petition)

ARTICLE 31. To see if the Town will vote to discontinue the section of Elm Street extending between the east side of Route 125 to Ladd's Lane. (By Selectmen)

ARTICLE 32. To see if the Town, in accordance with NH RSA 231, Section 157 and 158, will vote to establish Witham Road in West Epping, as a scenic road. (By petition)

ARTICLE 33. To see if the Town, in accordance with NH RSA 231, Section 157 and 158, will vote to establish the section of Delaney Road that begins at the east side of Route 125 to the point where it connects to Cote Drive, as a scenic road. (By petition)

ARTICLE 34. To see if the Town will vote to discontinue all Class VI roads being on record as of Feb.1, 1986 as per RSA 238:6. Discontinuance means the Town shall be relieved of all obligations to maintain and all liability for damages. (By petition)

ARTICLE 35. To see if the Town will vote to prohibit the method of betterment taxes to abutters as a means of paying for road improvements, including upgrading, widening, resurfacing and curbing. Such improvements shall not be a cost to the abutters unless the improvements are at his request. (By petition)

ARTICLE 36. To see if the Town will vote to rescind the vote of the March 1982 Town Meeting establishing the position of Administrative Assistant. (By petition)

ARTICLE 37. Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This status provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000. (By Selectmen)

ARTICLE 38. To see if the Town of Epping will vote to authorize the establishment of an adult mobile home park pursuant to Article #6, Section 6,9,4,12 of the Epping Zoning Ordinances to be considered for adoption at the March 11th, 1986 Annual Town Meeting or Article 11 of the Epping Zoning Ordinances as adopted by the Town of Epping on October 12th, 1968. This park to be located on the south side of Route 27 on land described as Tax Map #12, Lot #39 being the property of Mr. Wilfred Cloutier. (By Selectmen)

ARTICLE 39. To see if the Town will vote to designate Plumer Road as a new historic district as defined in RSA 674:20, with the restriction that all future development be limited exclusively to single-family residential dwellings of stick built construction, in order to be in conformity and harmony with the existing buildings. The area shall be defined as: All land abutting Plumer Road from its intersection with Old Hedding Road to its intersection with Red Oak Hill and Nottingham Square Road. This includes tax lot numbers 87,88,89,90,90A,91,92,93,94, 95,96,97,98,99,100,101,30,101-002,101-003. (By petition)

ARTICLE 40. Are you in favor of the following amendment to the Town of Epping Zoning Ordinances, adopted 10/12/68 as

amended and readopted 10/9/79:.....Add:  
RURAL/RESIDENTIAL/AGRICULTURAL ZONE (RRA) Area of zone: the  
RRA zone shall be defined as all land within the following  
bounds: beginning at the junction of Route 125 and Route 87,  
east on Route 87 to Dimond Hill Road, North on Dimond Hill  
Road to Chase Road, west on Chase Road to North River Road,  
north on North River Road to Route 125, north on Route 125  
to the Epping/Lee Town line, west on the Epping/Lee Town line  
to High Road, south on High Road to Old Nottingham Road, southeast  
on Old Nottingham Road to North River Road and east to the  
junction of Route 87 and 125. Permitted Uses: This zone shall  
be limited to A. Agricultural uses, B. Silva culture (forestry),  
C. Single family homes, each a minimum of 1800 sq. ft. of living  
area exclusive of garages, porches or decks and each dwelling  
shall require a minimum lot of 80,000 sq. ft. Restriction:  
There shall be no trade or business or commercial enterprise  
with the exception of farm stands and one room professional  
in home office maintained on the premises. Special Exceptions:  
Cluster development may be permitted by application to the  
Board of Adjustment provided the density conforms to this zone  
and the proposed development contains a minimum of ten acres.  
(By petition)(Recommended by Planning Board)

ARTICLE 41. Are you in favor of the adoption of Amendment  
#1 to the Town of Epping Zoning Ordinance adopted 10/12/68,  
as amended and readopted 10/9/79, as proposed by the Planning  
Board as follows: To establish five (5) Zoning Districts within  
the Town (Rural Residential, High Density Residential, Central  
Business, Highway Commercial and Industrial), and to establish  
permitted and accessory uses, special exceptions and appropriate  
regulations related thereto? (By Planning Board)

ARTICLE 42. Are you in favor of the adoption of Amendment  
#2 to the Town of Epping Zoning Ordinances adopted 10/12/68,  
as amended and readopted 10/9/79, as proposed by the Planning  
Board as follows: To change the name of the Wetlands Conservation  
Area (as voted by the Town 3/5/74) to Riverbank Protection  
District, to change the area defined as all land within 50  
feet of the banks of the Lamprey River, North River, Pawtuckaway  
(Stingy) River and Piscassic River to all land within 100 feet  
of the banks of the rivers at mean Spring high water, and to  
add the Rum Brook? (By Planning Board)

ARTICLE 43. Are you in favor of the adoption of amendment  
#3 to the Epping Zoning Ordinances adopted 10/12/68, as amended  
and readopted 10/9/79, as proposed by the Planning Board as  
follows: To establish a Wetlands Conservation District to  
regulate permitted uses on very poorly drained soils as shown  
on United States Conservation Service Soils Map of 1986.? (By  
Planning Board)

ARTICLE 44. Are you in favor of the adoption, as an  
ordinance, of the BOCA Basic Building Code of 1984, as amended,  
established by the Building Officials and Code Administrators  
International, Inc., as authorized by the State of New Hampshire  
RSA 674:52 I, and as proposed by the Planning Board?(By Plan Bd.)

ARTICLE 45. Are you in favor of the adoption, as an ordinance, of the National Fire Protection Association, Life Safety Code, Document No. 101, 1985 edition, as amended, as authorized by the State of New Hampshire RSA 674:52 II (b), and as proposed by the Planning Board?(By Planning Board)

Given under our hands and seal, this \_\_\_\_ day of February, in the year of our Lord, Nineteen Hundred and Eighty-Six.

---

Susan M. Joyce, Chairman

---

Joseph Foley, Selectman

## SCHOOL WARRANT

### STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF EPPING  
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Town Hall in said District  
on the eleventh day of March 1986 at nine o'clock in the forenoon  
to act upon the following subjects: (The polls may not close  
before five o'clock in the afternoon.)

1. To choose a Moderator for the coming year
2. To choose a Clerk for the ensuing year
3. To choose a Treasurer for the ensuing year
4. To choose a Member of the School Board for the  
ensuing two years
5. To choose Two Members of the School Board for the  
ensuing three years
6. To transact any other business which may legally come  
before this meeting

**NOTE:** The above Warrant is unofficial. The Official Warrant  
with charges, if any, will be posted at least fourteen days  
prior to the District Meeting.

EPPING SCHOOL BOARD

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Gymnasium in said district on the thirteenth day of March 1986 at seven-thirty in the evening to act upon the following subjects:

1. To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
2. To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1986-87 school fiscal year provided that such expenditure be made for the purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
3. To see if the District will vote to authorize the school district treasurer to appoint a deputy treasurer, all in accordance with the provisions of RSA 197:24-a. The authorization herein granted shall continue until a contrary vote of a subsequent school district meeting.
4. To see if the District will vote to raise and appropriate the sum of \$34,000 to complete the Energy Project. (Recommended by the Budget Committee)
5. To see if the District will vote to raise an appropriate a sum not to exceed \$100,000 for equipment and site development for the elementary school. (Not recommended by the Budget Committee)
6. To see if the District will vote to raise and appropriate a sum of money to fund the cost items related to an increase in teachers' salaries and benefits attributable to the collective bargaining agreement being entered into by the Epping School Board and the Epping Education Association for the 1986-87 fiscal year. Such sum of money representing the additional costs attributable to an increase in salaries and benefits over those obligations payable under the prior collective bargaining agreement.
7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of statutory obligations of the district.
8. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

## **EPPING SCHOOL DISTRICT MEETING**

Thursday, March 14, 1985

7:30 p.m.

M-I-N-U-T-E-S O-F M-E-E-T-I-N-G

Epping School District Moderator, Mary Fecteau opened the meeting at 7:40 p.m.

### **Article #1 was read as follows:**

1) To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

Dorothy Hall, School Board Member moved that the reports of agents, auditors, committees or officers chosen be accepted as presented. William Williamson, School Board Member seconded the motion. Motion was voted by the floor. Motion carried.

### **Article #2 was read as follows:**

2) To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept, and expend without further action by the School District Meeting, money from any source which becomes available during the 1985-86 school fiscal year provided that such expenditures be made for the purposes for which a School District may appropriate money and that such expenditures not require the expenditure of other School District Funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Judith Phelps, Chairperson, made the motion to accept the article as read. William Williamson, School Board member seconded the motion. Motion was voted by the Floor. Motion carried.

### **Article #3 was read as follows:**

3) To see if the District will vote to raise and appropriate as a supplemental appropriation for the 1984-85 School fiscal year, the sum of Twenty Thousand Dollars (\$20,000) for the purpose of hiring an architect to prepare preliminary plans and estimates for the construction of a new elementary school and complete the necessary test borings and surveys of the related site. Further, that such plans and specifications be prepared at the earliest possible opportunity so that a bond article calling for the construction of a new elementary school may be drawn and submitted to the voters of the Epping School District at a Special School District Meeting to be held not later than June of 1985 with the approval of the Rockingham Superior Court.

Judith Phelps, Chairperson, School Board, made the motion to accept the article as read. Dorothy Hall, School Board Member seconded the motion. Discussion from the floor was heard and relative questions answered by the School Board and/or S.A.U. administrators. Motion was voted by the floor and carried.

### **Article #4 was read as follows:**

4) To see if the District will vote to raise and appropriate Twenty Thousand Dollars (\$20,000) to complete energy conservation projects at Epping Middle/High School. Ten Thousand (\$10,000) of said sum to be reimbursed by the Federal Energy Program.

Ronald Nickerson, School Board Member made the motion to accept the article as read. Judith Phelps, Chairperson, School Board, seconded the motion. Discussion was heard by the floor and relative questions answered by S.A.U. administration. The motion was voted by the floor and carried.

Article #5 was read as follows:

5) To see if the District will vote to raise and appropriate the sum of Eighty-Five Thousand ,Five Hundred, Eighty-Seven Dollars (\$85,587) to fund the cost items related to an increase in teachers' salaries and benefits attributed to the second year (1985-1986 school year) of the Collective Bargaining Agreement entered into by the School Board and the Epping Education Association for the period July 1, 1984 to June 30, 1986, such sum of money representing the additional costs attributed to the increase in salaries and benefits over those obligations payable for the 1984-1985 school year.

Deborah Brooks, School Board Member, made the motion to accept the article as read. Discussion was heard from the floor and relative questions answered by S.A.U. administration. Motion was voted and carried.

Article #6 was read as follows:

6) On petition of ten legal voters: Since the Epping High School has a hot water heating system consisting of two huge tanks for heat storage (approximately 30,000 gal.), classroom heat exchangers, a circulating system, and two very large immersion heaters, we propose that the heating method be replaced with an oil fired hot water furnace.

The cost of electric heating last year was approximately \$32,000 at rates of between 6 and 7 cents/KWH. For comparison, oil bought at \$1.00/gal. that was burned in a furnace of only 65% efficient, would provide the same amount of heat at an equivalent rate of 3.5 cents/KWH. The reduction in cost of operation would be between \$14,000 and \$16,000 annually, less maintenance and depending of course on the price of electricity and oil.

To achieve these savings, we recommend the appropriation of \$25,000 to be used for construction of a chimney, purchase and installation of an oil tank, and the purchase and installation of an oil-fired furnace. The electric heaters do not need to be removed but may be left in place and not used except as backup. Since electricity rates may incur a substantial increase when Seabrook comes on line, the savings could potentially be much greater, but in any event at the current time an investment of \$25,000 in the proposed heating system would result in annual savings of approximately \$15,000 over the useful life of the equipment.

Joseph Foley moved the article. Lorraine Rauh seconded the article. Earl Arquette moved to table this article until the energy audit results and solar survey were completed. Thomas Wheeler seconded the motion. A vote was taken by the floor and denied.

Mark Joyce asked if the article could be in conjunction with

Article #4 in order to receive federal energy 50% reimbursement. William Williamson, School Board Member, stated that the Board hoped to be able to do that. William Williamson moved to amend the article by striking the words;"oil fired furnace"and inserting the words, "energy efficient, alternative heating system." Earl Arquette seconded the motion. Discussion from the floor was heard and subsequently William Williamson and Earl Arquette withdrew the amendment.

Lionel Fecteau moved to amend the article by striking "with an oil fired hot water furnace" from the first paragraph. Paul Langdon seconded the amendment. William Williamson, School Board Member, moved to amend the original motion by striking the first sentence of the third paragraph which reads,"to achieve these savings, we recommend the appropriation of Twenty-five Thousand Dollars to be used for construction of a chimney, purchase and installation of an oil fired furnace"; and to insert the sentence, "To raise and appropriate a sum of Twenty-five Thousand Dollars for the purpose of converting the electric heating system." Ronald Nickerson, School Board Member, seconded the motion. A vote was taken by the floor and carried.

Albert Haberstroh moved to delete paragraphs 1,2 and the first half of paragraph 3 so that the entire motion would consist of Mr. Williamson's amendment. Nancy Haberstroh seconded the amendment. A vote was taken by the floor. Motion denied. Mark Joyce called the question. The motion was amended carried.

**Article #7 was read as follows:**

7) To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of statutory obligations of the district.

**Article #8 was read as follows:**

8) To transact any other business which may legally come before this meeting.

Deborah Brooks, School Board Member, moved to adjourn the meeting. William Williamson, School Board Member seconded the motion. A vote was taken by the floor. Motion carried. Meeting adjourned at 8:45 p.m.

**EPPING SCHOOL DISTRICT MEETING**  
**Thursday, June 20, 1985**  
**7:30 p.m.**

**M-I-N-U-T-E-S     O-F     M-E-E-T-I-N-G**

**Present:** Chairperson Judith Phelps, Ronald Nickerson, Deborah Brooks, Dorothy Hall, and Moderator Mary Fecteau at podium; and approximately 250 registered voters of Epping.

**1) CALL TO ORDER**

Moderator Mary Fecteau opened the meeting to the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs. They were hereby notified to meet at the Epping Middle/High School Gymnasium in said district on the twentieth day of the month of June in the year 1985 at seven o'clock in the evening to act upon the following matters. 1) To see what sum of money the School District will vote to raise and appropriate for the construction of a new elementary school and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any other action relative thereto. 2) To transact any other business which may legally come before this meeting.

**2) NEW BUSINESS**

a. New Elementary School - Ronald Nickerson moved that the sum of Two Million Six Hundred Thousand Dollars (\$2,600,000.00) be appropriated for construction of an elementary school and for purchasing equipment and furnishings of a lasting character in connection therewith; that to raise this appropriation, the School Board is authorized to borrow Two Million Six Hundred Thousand Dollars under the Municipal Finance Act; and that the School Board is authorized to take all other action necessary to carry out this vote. Mr. Mark Vatcher seconded the motion.

Discussion: Chairperson Judith Phelps reviewed the background history of the proposed new school project for the elementary school. She explained the school concept and decision for building. She noted the 30% reimbursement with State aid and reimbursement from federal aid on the food service program; this expenditure would be reflected after the Cloutier case was paid for.

Virginia LaPierre questioned the hours for vote polling. Earl Arquette felt that the land use at the high school should remain for the high school only, and he is concerned with road access and water availability. He felt building in this area was discriminating against West Epping. Chairperson Phelps noted the placement of the elementary school is the best possible place as the study shows and the Board is giving all students the best possible education. William Williamson asked if the Board had a contingency plan. Phelps replied that the 4th grade is moving to the High School next year; and after that, no plans are developed.

William Callaway explained the proposed \$17,000 figure is

for sewer and water lines only. He noted the need for another costly water main. Fran Allen asked if consideration is being given to using our schools year round as Hudson. Superintendent Cross noted Hudson is abandoning this program because they can not meet state standards. Mark Joyce reviewed his concerns of bringing utilities to the new building, land costs, transportation costs and safety concerns of a second access; however he noted the desing is well thought out and much consideration was given to the site. He also noted Epping is in a low indebtedness at present and our needs are clear we need a new school now. Virginia LaPierre commented that we have good people on the building committee that are experienced. Marvin Ober asked how this new school would reflect the tax rate. Ronald Nickerson, based on a est. figure of \$1.00/per each \$40,000, noted it would be approximately \$6-7 increase per thousand on the tax rate. Nickerson reviewed the schedule.

Lorraine Raub motioned to move the question. Dick Mundy seconded the motion. Motion voted on by the floor. Motion approved and carried.

Virginai LaPierre moved that the Polls be open for two (2) hours. Bruce Corsetti seconded the motion. Motion voted on by the floor. Motion approved and carried. Polls opened at 8:02 p.m. and closed at 10:02 p.m.

Poll Results: 223 yes 77 no. Motion approved by 2/3rd's vote.

### 3) ADJOURNMENT

Bruce Gatchell moved to adjourn the meeting. Bruce Gatchell moved to adjourn the meeting. Bruce Corsetti seconded the motion. Motion voted on by the floor. Motion approved and carried. Meeting adjourned at 10:24 p.m.

Certified to be the official minutes of the Epping School District Meeting held on June 20, 1985.

CERTIFIED PUBLIC ACCOUNTANTS

P.O. BOX 459  
EXETER, NEW HAMPSHIRE 03833

Epping School Board  
Epping School District  
Epping, New Hampshire

We have examined the combined financial statements of the Epping School District for the year ended June 30, 1985, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1 (accounting policies), the combined financial statements referred to above do not include the financial statements of the General Fixed Assets Account Group. Also, the Food Service Fund, a proprietary fund type does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets is not included in the financial statements. In both cases these statements are required to be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the financial statements described above, results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Epping School District at June 30, 1985 and the results of its operations and the changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

Giordani & Lortie, Prof. Assn.  
Certified Public Accountants

Dated October 1, 1985

## EPPING SCHOOL DISTRICT

### Notes to Financial Statements

#### 1. Summary of Significant Accounting Policies:

The accounting policies of the Epping School District conform to generally accepted accounting principles for local educational governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

##### Basis of Accounting

The accrual basis of accounting is used for all proprietary (food service) and fiduciary (agency) funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- b. Prepaid expenses are not normally recorded.

General fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. The food service fund has never maintained a record of its fixed assets and related depreciation accounts for measuring their operations. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed assets group of accounts.

##### Taxes Collected by Others

Under State law, the Town of Epping collects School District taxes as part of local property tax assessments. As collection agent, the Town is required to pay over to the School District its share of property tax assessments through periodic payments based on projected cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes.

##### Interfund - Transactions

During the course of normal operations, the School District has numerous transactions between funds including expenditures and transfers of resources to provided services. The accompanying governmental and proprietary funds financial statements reflect such transactions as transfers.

##### Retirement Plan

Substantially all full time employees of the District participate in the State of New Hampshire Retirement system. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contributions begin. The District contribution rate for normal cost of the plan is based upon an actuarial valuation of the State plan as of June 1985 and has been set at .77% of annual compensation for teachers and 1.47% for other employees.

## EPHING SCHOOL DISTRICT

### Notes to Financial Statements

For the fiscal year ended June 30, 1985 the normal cost of the plan to the District was \$12,357. The amount, if any, of the excess vested benefits over pension fund assets for the Epping School District is not available. At June 30, 1985 the District had no past service cost obligation.

#### Sick Leave

The Epping School District support personnel may accumulate up to 24 days of sick leave and school teachers may accumulate up to 130 days of sick leave. Upon retirement applicable to RSA-192 the District will pay; upon death or retirement \$13.00 per day for each day of accumulated sick leave, for which an annual provision is made in the budget. The District does not record the cost of sick leave when earned. Estimated value of accumulated sick leave for retirement at June 30, 1985 is \$3,185.00.

#### Inventory

Inventories are stated at the lower of cost or market value.

#### 2. Purpose of Funds and Account Groups:

The School District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the School District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

##### A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

##### B. Proprietary Funds

Enterprise Funds - these funds account for operations of entities that provide services or user charge, or other basis to the general public or for food service operations.

##### C. Fiduciary Funds

Trust and Agency Funds - these funds are used to account for assets held by the School District in a fiduciary capacity for various purposes including student activities funds. Receipts and expenditures of each fund are governed by statutes or local law.

##### D. General Long-term Debt - Account Group

This group is used to account for the outstanding principal balances of general obligation bonds or notes.

EPPING SCHOOL DISTRICT

Notes to Financial Statements

3. Budget:

The School District's budget represents functional appropriations as authorized by annual or special School District meetings. The School Board may transfer funds between operating categories as they deem necessary.

4. Changes in Long-term Debt:

Bonds payable - July 1, 1984	\$ 1,165,000
Less: bonds retired	<u>125,000</u>

Bonds payable - June 30, 1985	<u>\$ 1,040,000</u>
-------------------------------	---------------------

Bonds payable at June 30, 1985 are comprised of the following individual issues:

General Obligation Bonds:

\$1,010,000 of 5.4% Junior High School Serial Bonds due in annual installments of \$115,000 through September 1993.

\$30,000 of 4.2% Building and Equipment Serial Bonds due in annual installments of \$10,000 through August 1987.

Total \$1,940,000.

General Obligation Bonds are direct obligations of the School District for which its full faith and credit are pledged, and are payable from taxes levied on all taxable property located within District boundaries.

The annual requirements to amortize all debt outstanding as of June 30, 1985 including interest payments of \$244,620, are as follows:

Year Ended June 30,	
1986	\$ 177,485
1987	170,855
1988	164,225
1989	147,805
1990-1994	<u>624,250</u>
TOTAL	<u>\$1,284,620</u>

5. Unreserved Fund Balance of The General Fund: (Exhibit A & B)

The School District follows the practice of applying unreserved fund balances of the General Fund of the current year as a reduction of taxes in the following year as required by state statutes. At June 30, 1985 fund balance available to reduce 1985-1986 school taxes is \$36,244.

## EPHING SCHOOL DISTRICT

### Notes to Financial Statements

#### 6. Encumbrances:

Architect - new school \$ 10,000

The District follows the practice of encumbering unfilled purchase commitments at year end. These encumbrances are reported as a component of fund balance. State statute does not recognize such reserves as being unavailable for reduction of subsequent year school taxes.

The above encumbrance represents the unexpended funds of the supplemental appropriation voted in March of 1985. The appropriation was designated to cover the costs of preliminary plans and estimates for construction of a new elementary school.

#### 7. Contingent Liabilities:

A possible liability may exist between the School District and an Epping property holder over boundary rights. A suit was filed by the property owner during the year and has been termed of nuisance value.

#### 8. Commitments:

The District has entered into a contract with Berry Transportation for the transportation of the District children for school year 1985-1986. The cost of the contract is \$94,500 - payable in equal installments of \$9,500 over the ten month period September 1985 - June 1986.

#### 9. Net Cash Resources:

New state statutes require that lunch program fund balances not exceed three times average monthly expenditures for the overall program. Epping School District's lunch program is in compliance with that statute.

#### 10. SAU Reorganization:

Effective July 1, 1986 the SAU #14 will undergo a reorganization with the departure of the Newmarket School District. Currently, efforts are under way to attract other communities into the Unit. Should the fiscal year July 1, 1986 begin with only three Districts, the loss of Newmarket's revenue share would have to be absorbed by those remaining Districts. It is not possible at this time to determine the financial effect this would have on the Epping School District.

#### 11. Capital Project:

The School District has committed to the construction of a new elementary school adjacent to the present high school. Cost of the project has been budgeted at \$2.6 million. Approval of the voters of the Epping School District was granted at a special meeting on June 20, 1985.

CERTIFIED PUBLIC ACCOUNTANTS

P.O. BOX 459  
EXETER, NEW HAMPSHIRE 03833

Epping School Board  
Epping School District  
Epping, New Hampshire

Dear Board Members:

We have examined the financial statements of the Epping School District for the year ended June 30, 1985, and have issued our report thereon dated October 1, 1985. As a part of our examination we reviewed and tested the District's system of internal control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal control is to provide reasonable but not absolute assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgements by those managing the District's affairs.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness or any other of several factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented intentionally by those managing the District's affairs with respect to the estimates and judgements required in the preparation of financial statements.

Further projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the School District's system of internal accounting control for the year ended June 30, 1985, which was made for the purpose set forth in the first paragraph above, would not necessarily disclose all weaknesses in the system. However, such study and evaluation disclosed the following conditions that we believe should be corrected as soon as possible.

## EPHING SCHOOL DISTRICT

### Internal Control Recommendations

For The Year Then Ended June 30, 1985

#### Previously Mentioned Recommendations:

##### Policy of Controlling Fixed Assets: (School Board and SAU)

The School District does not maintain records of general fixed assets as a matter of policy. Such assets would consist of such items as; land, buildings, furniture and fixtures, equipment, vehicles, etc. The recording of fixed assets fulfills the stewardship needs to provide for physical and dollar value control, and establishes accountability for capital expenditures over the years.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring total costs of the School District's services and evaluating the efficiency of programs.

This would be of particular importance to the food service program.

##### General Ledger System: (School Board and SAU)

All the transactions for the School District should be maintained on a modified accrual basis (general fund) as required by the New Hampshire Financial Accounting Handbook. This would mean that cash receipts, cash disbursements, accounts receivable and accounts payable should be recorded on a consistent basis when supplying financial reports to the School Board. A double-entry system is needed to conform with these recommendations.

Failure to record receivables and payables as part of the report distorts the fund balance of the School District. This can cause over or under spending and lead to poor management decisions. Therefore, a full report should be established in conjunction with the computer to provide such financial reports.

Another consideration for the computer financial reporting system is to program the printed information so that it conforms with the State's MS 25 report. This would mean applicable sub-totals for certain categories as required by the Financial Accounting Handbook mentioned above. This would save a great deal of time at the year end.

##### Outside Services: (School Board, SAU and School)

Payments made to individuals concerning personal services should be accounted for on a calendar year basis. It is the responsibility of the payer to account for payments in excess of \$600.00 to any one individual in a particular year.

These payments are reported on federal tax forms titled 1099 (similar to W-2 procedures). These outside services would apply to such persons as athletic officials and any other person who receives \$600.00 or more in one calendar year.

##### Check Signing: (SAU, School and Treasurer)

We recommend check signing authority on the District accounts be assigned to one other School District official. This authority would prevent the need to presigned District checks.

##### Bond Registers: (SAU)

The bond registers maintained at the SAU have not been updated to reflect annual principal payments for some time. This procedure should be performed each year at the time of payment.

## EPHING SCHOOL DISTRICT

### Internal Control Recommendations

For The Year Then Ended June 30, 1985

#### Lunch Fund:(School, Lunch Director)

Upon receipt of goods from vendors the packing slip or invoice should be signed by a responsible official to indicate that the goods were in fact received. Also, many bills are paid by a statement without all of the underlying documentation being present. All packing or receiving slips should accompany an invoice when it is paid.

The School Lunch program as it exists on June 30, 1985 does not possess many accounting controls. Much of its operations is done by memory, i.e. if an individual obtains a lunch but has no ticket in hand, the director must remember if that individual has paid for the week, is a free lunch or a good credit risk.

With the volume of students who receive hot lunch at the Epping School, we feel stronger controls are necessary.

We recommend the School Lunch program adopt a ticket sales system as well as acquire a "made for school lunch program" cash register: (this register would be item coded vs. dollar coded.)

Under this system students would be allowed to buy weekly lunch tickets. At that time they would pay in full and receive a lunch ticket with their name and indicating five paid meals. All other lunches sold would be controlled in the cafeteria at the point of sale. With the new register, the lunch director could ring in sales by type, i.e., adult lunch, student lunch, milk, etc. Anyone allowed a meal on credit would have their name added to an accounts receivable list. Those who have lunch tickets will have their ticket punched at the point of sale.

With this procedure the lunch director will be able to reconcile on a daily basis the total dollar sales of lunches to the number of trays utilized.

#### Additional Recommendations:

##### Activities Fund:(School, School Board)

The School Activities Fund's purpose is to collect monies from various student groups to finance their projects. Unfortunately, in the Epping District that is not their only use. In addition to serving their intended purpose this fund is also being used to finance expenditures for which appropriations have been made in the General Fund. Vouchers are then prepared by the Activity Fund requesting reimbursement from the General Fund.

Another area of concern with regard to the Activity Fund has to do with the monthly reconciliation of subsidiary records to the bank statements. Currently, one bank statement is reconciled to the check book, but this one account plus the two savings accounts are not balanced to the subsidiary records. This situation is not indicative of good financial controls. The three bank accounts held by the Activity Fund are all interest bearing yet the interest earned is not prorated back to the various activities which earned the interest. This procedure should be corrected immediately.

During the course of the year student groups are occasionally in a deficit position with their fund. This is also not acceptable accounting practice.

EPFING SCHOOL DISTRICT

Internal Control Recommendations

For The Year Then Ended June 30, 1985

Finally, the Activities Fund is in possession of a bank account with a \$3,000 + balance. At this time no one knows the source and/or purpose of this account. The custody and control of the Activities Fund rests with the School Board. We recommend the School Board take the steps necessary to resolve the above issues.

General Fund: (SAU, School, School Board)

The purchasing policy adopted by the School Board during fiscal 1984 took care of many flaws in the system. The biggest one remaining has to do with proof of receipt of goods. While reviewing invoices at year end we find a purchase order and an invoice signed by the principal. There is rarely a signed packing or delivery slip indicating that the goods were received. If the principals approval for payment is supposed to serve two purposes, adopt a policy to that effect. If not signed packing slips should accompany the invoice to the paid invoices file. SAU employees should be made aware of this policy as well.

Lunch Fund: (Treasurer, SAU, School Board)

Reimbursement checks from the General Fund to the Lunch Program and made payable to Harold Bowles. These checks should be made payable to "Treasurer - School Lunch Program".

By implementation of the above outlined procedures, you will be making major strides towards improving your controls over the operation of the School District. With better controls come more accurate and reliable financial information.

If we may be of further assistance to you, please do not hesitate to contact us. We welcome the opportunity to discuss this report with you should you have any questions. Also, should you need assistance in implementing the above, please do not hesitate to contact us.

At this time, we would like to thank the SAU officials, the treasurer, the fund custodians and all others who assisted us during the audit for their kind cooperation.

Very truly yours,

  
Giordani & Lortie, Prof. Assn.  
Certified Public Accountants
